ATHLETIC AND FITNESS SCALES

Portable Battery-Powered Scale with LED digits

Model PS-6600ST

The nation's top-selling sports scale for the past two decades, the "Take-A-Weigh" is renowned in youth sports that require precise weight measurements on the go. Also great for home use, athletic training, and weight management. "Super Tuff" (ST) platform features one-piece cast aluminum construction that is lighter, stronger, and more durable with safe, rounded corners and a recessed, non-skid rubber mat. Exclusive "Plug & Weigh" cable system connects platform to the display console. Should the cable ever be damaged, replacement takes only minutes and can be easily done by the scale user.

FEATURES & BENEFITS:

Pin point accuracy of ± 0.1 lb.

Fully assembled: Arrives ready to use

Display Console Set-up: Quick insert/detach connections

Push Button Calibration: Set calibration via keypad entry without the need of tools

Reinforced USB-grade molded cables

Advanced microprocessor design

Rugged and durable all-metal construction

Dual Power: Powered by extended life rechargeable batteries or supplied AC adapter

Plug & Weigh: Exclusive cable system can be easily replaced if damaged
